The World Customs Organization represents 184 Members, responsible for processing 98% of international trade. 33 Members in the Asia/Pacific region.

The World Customs Organization develops international standards, fosters cooperation and builds capacity to facilitate legitimate trade, to secure a fair revenue collection and to protect society, providing leadership, guidance and support to Customs administrations.
The WCO has developed over 60 of instruments and tools, which respond to Members’ needs as regards TFA implementation.
