

Emerging Global Changes and Implication for Asia

August 3, 2015

Je-Yoon Shin

1. Emerging Global Challenges

**Since the Industrial Revolution,
We have pursued many dreams and goals,
but as time passed,
some of them came to raise unexpected challenges**

- 1. Aging Society**
- 2. Integrated Finance**
- 3. Environment**
- 4. Money Laundering**
- 5. Disaster & Epidemics**

1. Emerging Global Challenges

Developed Countries

Gradual

Similar Pace

**Relatively
Well-equipped**

Asia

Quick Move

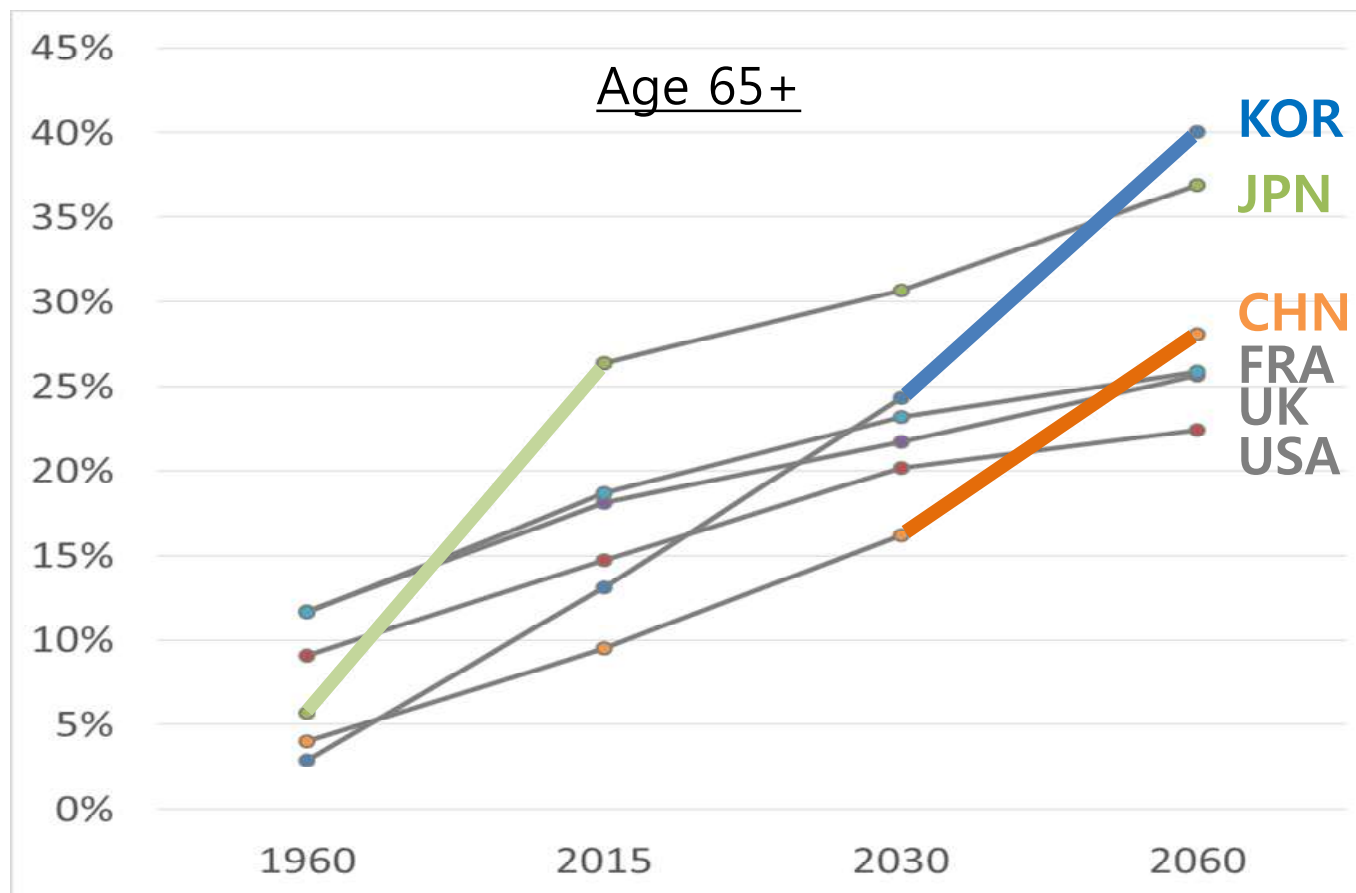

Wider Gap

Ill-prepared

1. Emerging Global Challenges

1. Aging Society

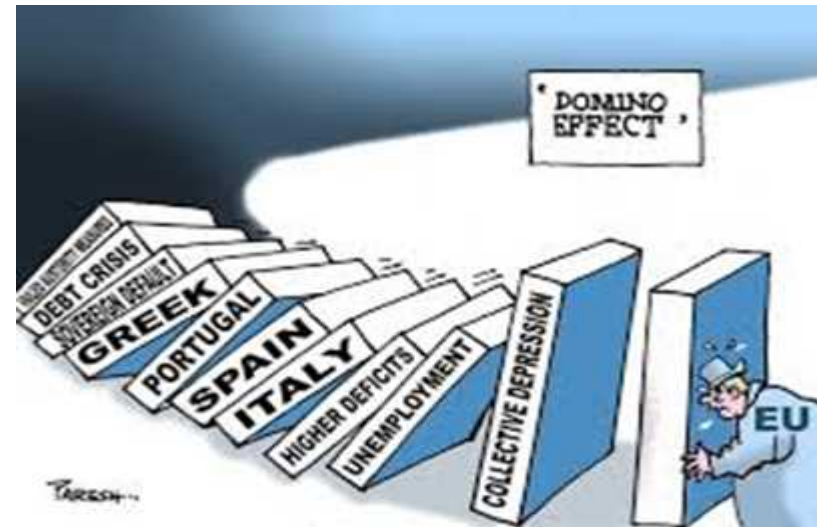

UN "World Population Prospects: The 2012 Revision"

1. Emerging Global Challenges

2. Integrated Finance

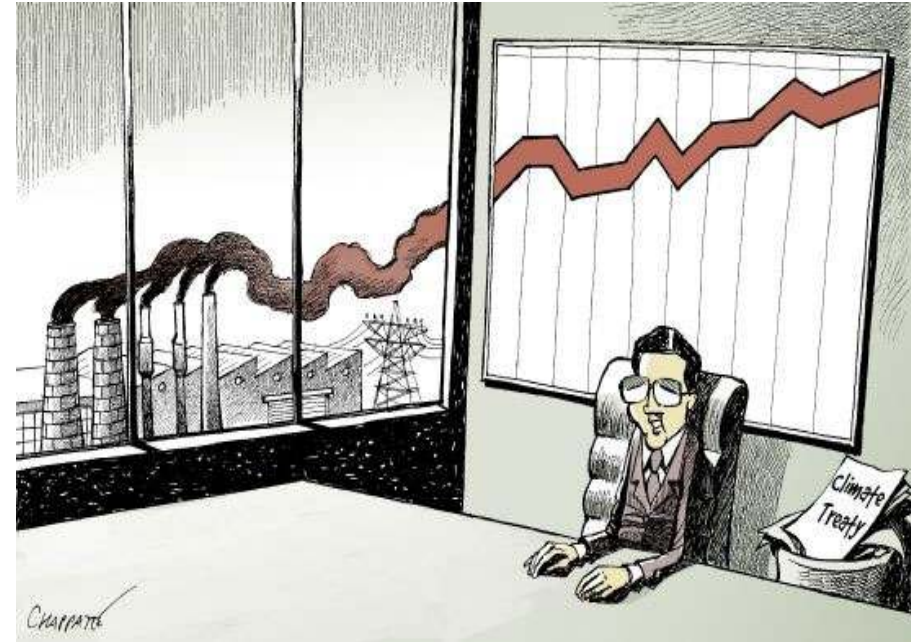

Population : 10million
GDP : \$246billion(2014)
(0.3% of World GDP)

1. Emerging Global Challenges

3. Environment

1. Emerging Global Challenges

4. Money Laundering

Dec.8, 1989

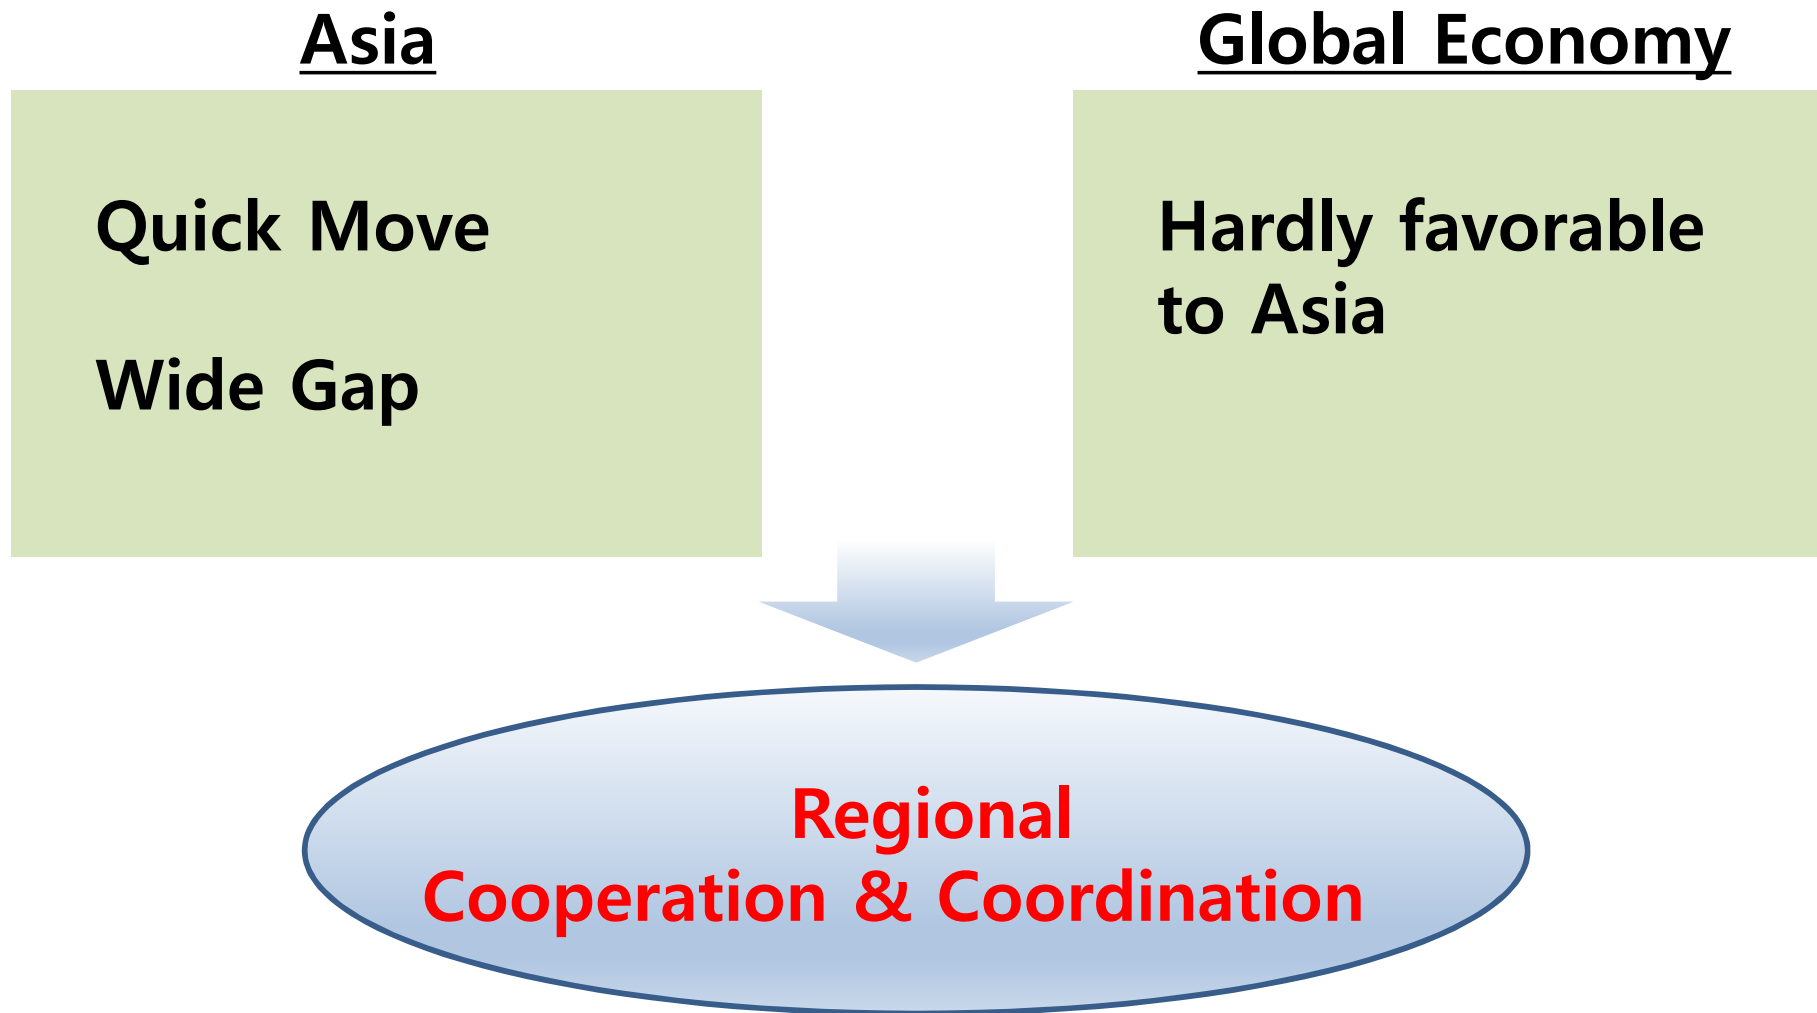

1. Emerging Global Challenges

5. Disaster & Epidemics

2. Implication for Asia
