MEDIA PLAN

ADB will be posting a news release at 3:30 p.m. local time on behalf of all three organizers. ADB will also be streaming the event live through Facebook Live via ADB's Facebook account: <https://www.facebook.com/AsianDevBank/>. There will be a notice on this on both Facebook and twitter (@ADB_HQ). The panelists and their institutions are encouraged to repost. ADB will also be tweeting live from the event. Media people have been invited to the event. If the panelists and their institutions have twitter handle, please let Ms. Karen Lane (klane@adb.org) know so ADB can reference it.

The average temperature in October is 27°C (81°F), while the average low is 23°C (73°F), and the average high comes in at 31°C (88°F). Even though wet season has begun this month, the amount of daily sunshine on average does not decrease from September to October. The average amount of daily sunshine in October is nine hours. The average sea temperature this month is 27°C (81°F), which is enjoyable for everyone. The average humidity in October is 70%, which can be uncomfortable especially with warmer days, but is also the lowest average for the year in Bali, which is regularly humid. Weather forecast in Denpasar, Bali for 10–12 October 2018 is as follows.
