Webinar Series**

Co-organized by the Regional Cooperation and Integration Division and RCI Thematic Group, the webinar series aims to provide a venue for casual and open policy dialogue on RCI issues.

THE ROLE OF ASIA'S FINANCIAL SAFETY NET DURING COVID-19

Past financial crises have demonstrated how adequate financial safety net arrangements—globally, regionally, and nationally—are vital to safeguarding financial stability. The unfolding COVID-19 pandemic threatens financial stability in the region. This Webinar will recast lessons of the past financial crises, discuss the role of regional financial safety nets and ADB's crisis support facilities, and explore policy options to ensure regional financial stability and resilience moving forward.
